Re: *Anatoly Davydov v. Scandinavian Airlines System*  
19-CV-17628 (MCA)(JAD)  
C&F Ref: 35264

Dear Judge Arleo:

On behalf of Defendant Scandinavian Airlines System ("SAS"), we write in accordance with Local Rule 7.1(d)(5) to request a one-cycle adjournment of the motion date of SAS's Motion to Dismiss for lack of personal jurisdiction and on *forum non conveniens* grounds.

The original motion day was April 6, 2020. The motion was adjourned following Plaintiff's request for a one-cycle adjournment pursuant to L.R. 7.1(d)(5), and again to June 8, 2020, pursuant to Standing Order 2020-04 (*In re: Additional Measures Due to the Exigent Circumstances Created by COVID-19*). Plaintiff filed his Opposition brief on June 1, 2020.

This is SAS's first request for an adjournment. Should the Court grant SAS's request, the new motion day will be July 6, 2020.

Plaintiff consents to this application.

Respectfully submitted,

CONDON & FORSYTH LLP
